AMEND Senate Bill No. 513

House Bill No. 458*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 49-7-124, is amended by deleting subsection (b) in its entirety and substituting instead:

(b)

(1) New incoming students at any public institution of higher learning in this state who live in on-campus student housing shall be required to produce proof of adequate immunization against:

(A) Meningococcal disease as recommended for adults in the current advisory committee on immunization practices "Recommended Adult Immunization Schedule" published by the centers for disease control and prevention;

(B) Measles, mumps, and rubella as recommended for adults by the department of health; and

(C) Varicella, as recommended for adults by the department of health.

(2) Nonresidential students are encouraged to obtain the immunizations required under subdivision (b)(1), but shall not be required to show proof of such immunizations for admission.

SECTION 2. Tennessee Code Annotated, Section 49-7-124, is further amended by adding the following language as new subsections (d) and (e) and redesignating existing subsections (d) and (e) accordingly:

AMEND Senate Bill No. 513

House Bill No. 458*

(d) In lieu of documentation of vaccination or a blood test showing immunity, "proof of adequate immunization" for measles, mumps, and rubella may be established by:

- (1) Proof of graduation from a Tennessee high school after 2000;
- (2) Proof of prior or current military service; or
- (3) Date of birth before 1957.

(e) In lieu of documentation of vaccination or a blood test showing immunity, "proof of adequate immunization" for varicella may be established by:

- (1) Proof of graduation from a Tennessee high school after 2014;
- (2) Proof of prior or current military service; or
- (3) Date of birth before 1980.

SECTION 3. This act shall take effect July 1, 2016, the public welfare requiring it.
